

2007 GRIFFITH HARRIS EARLY-BIRD BACK-NINE CHAMPIONSHIP

April 22, 2007	10	11	12	13	14	15	16	17	18	FINAL
Ray-Pete	-	1	-	-	-	-	1	-	-	Halved
Phil-Matt	-	-	-	-	-	-	-	-	-	Halved

The 10th hole was routinely halved with pars by Phil and Pete. Ray's beautiful tee shot on 11 hit the green about four feet in front of the cup, and even though he missed his birdie attempt, a short par putt was enough to draw first blood in today's match. Matt had only 60 yards to the 12th green, and managed to bounce his chip shot off the top of the repair sign placed in the new sod and carom his ball onto the green, where par was good enough to even the match as both Ray and Pete missed their par putts. Nobody could make par on 13, where the pin was placed precariously on top of the hill....Ray flew the green with his approach shot and made bogey, Pete had to take a penalty shot when his tee shot was lost in the left side lateral hazard, Matt had to punch out from the same trees and Phil was short of the green in two. With nobody able to get up and down, bogeys halved the hole. Ray's tee shot found him in ideal position down the hill on 14, but a phone call apparently interrupted his concentration as we went for the green in two, only to find trouble on the left side. Pete and Matt were safely on in regulation, but Matt's downhill birdie attempt missed by inches and Pete's birdie putt missed as well, and the match stayed even. Phil hit a beautiful tee shot on the par three 15th, leaving himself less than ten feet for birdie, but Ray was up to the task and was inside of Phil. However, neither was able to make the birdie putt, halving the hole with pars. Pete won the 16th hole and put his team one up when nobody was able to stay in the circle, and he holed his fourth shot on the temporary green to save par. Matt was pin high on 17 in two, and Phil recovered nicely to be on the green in three, and their bogeys won the hole and evened the match when neither Pete nor Ray was able to match the score after some trouble. Matt and Ray each hit beautiful drives on 18, but Pete made the shot of the day when he curled a 19 degree hybrid around the trees after his tee shot found the left side trees, and the hole as well as the match has halved. Two matches, no blood.

	Ray Bakshi	Pete Christensen	Phil Kemp	Matt Boardman
