

2010 GRIFFITH HARRIS EARLY-BIRD BACK-NINE CHAMPIONSHIP

July 31, 2010	10	11	12	13	14	15	16	17	18	FINAL
Phil - Ray						-				
Pete - Matt	1	2	1	1	1	-	1	2		won

Saturday was a spectacular day, temperature in the lower 60s and no humidity as the players teed it up for the last time in July. Phil, back from a quick turnaround trip to India, was paired with Ray so they could talk about the homeland and Phil's prospective new position. Jack was waiting for the tee shots in his usual spot, but there was an extra visitor as Dave D'Andrea waited behind the tee box and watched the tee shots. Pete hit the best tee shot, down the left side and just into the rough, while Ray was in the fairway and shorter. Matt chipped out from the right side trees to about 100 yards and then hit a nice wedge to four feet for a chance at par, while Ray got the worst break possible when his approach shot got stuck just under the lip of the bunker and was buried, and Pete hit the best shot when he stopped his second shot about two feet from the cup. Matt made his par and even though Pete pulled his birdie putt, their pars were enough to win the hole and grab the early lead. Matt was wide to the right on eleven but Pete seemed safely on the green while Ray and Phil were in trouble. Matt chipped over the trap and two putted for bogey, and Pete uncharacteristically three putted for his bogey, but that was enough to win the hole and take a two hole lead. Pete and Matt were in trouble on twelve while Ray was on the back of the green in two and Phil had a par-saving putt when he chipped to the right of the hole. Phil sank his putt first, giving Ray a free shot at a birdie, which he stroked nicely but the long putt did not drop, and both made par which was enough to win and bring them back to one down. Ray was in the hazard on the right of thirteen but got a bogey after taking a penalty stroke, and that matched both Phil's bogey as well as Matt's five to halve the hole. Matt missed the fourteenth green but chipped to gimme distance for par, giving Pete a shot at birdie which he just missed. Phil needed to make par to halve the hole, left his first putt about eight feet short but calmly stroked the second putt into the back of the cup for a tie. Pete was the only one on the fifteenth green, but Ray chipped close enough to be conceded par and Phil went one better when he chipped into the hole for birdie, winning the hole and halving the match when Pete could not match. Ray found himself in the bunker and Phil was short on sixteen and Pete's routine par won the hole and gave his team the lead. The match was closed out on seventeen when Pete, on in two and only twelve feet from the cup, just missed his birdie but sank his two foot par putt to win the hole....two and one.
