It was a crisp and cool day, felt a lot like fall, especially when it did not get light enough to hit practice balls till about 6:45. The pump system had some malfunctions so the tee boxes were being watered just before start time, making things a bit muddy because of the lack of sand on the tee boxes. It was Matt and Ray against Phil and Pete, Phil still feeling good about his 50 foot putt the prior week. Jack was the starter and let everyone know of his expectations for balls down the middle, but only Matt could live up to Jack's challenge, and his two putt par was enough to win the hole for an early advantage. Only Matt was on the eleventh green, just barely on the front edge with a yellow pin, but again a two putt par won the hole. Pete was on the left of the twelfth, Ray toward the right and Phil quite short off the tee. Phil hit a nice second shot, got a bad break when his ball bounced right instead of forward and landed in the bunker, but he came out to twelve feet and made his par putt. This gave Pete a free shot at birdie, and even though he narrowly missed his opportunity, par was sufficient to win the hole and get the team back in the match. Ray was on the front of the thirteenth hole in two, Matt short of the green after a poor tee shot but a good fairway wood toward the green. Matt lobbed nicely to two feet, Ray took advantage by running his long putt along the ridge and stopping above the hole. Both players made their pars to win the hole and regain a two hole advantage. Ray played the fourteenth hole beautifully, sticking his approach shot about four feet from the cup and sank that for a birdie to win and a three hole margin. Matt teed off first on sixteen, staying straight to front of the green rather than being on the fourteenth fairway, and when he saved par with a good chip and putt, the match was closed out early.
