After a weekend off for travel, weather and recuperation the group was back in action on a very windy but sunny morning. The new tee time was moved to 7:30 so the bright sun was not directly in the players' faces as they teed off on the tenth hole with the now familiar (four matches in a row) pairing of Ray and Phil against Pete and Matt. Phil was in the fairway from the tee, Pete longer, while Matt was behind a tree on the right and Ray found the eighteenth fairway. But Ray hit a very nice shot from that tough spot, landing just outside the bunker, while his partner hit his own approach shot onto the green. Two pars for that team, and after Pete missed his par putt and Matt bouncing his par putt off the back of the cup, Ray and Phil had the early lead. Pete was on the green on the eleventh and his routine two putt par won the hole and tied the match. Ray and Phil regained the lead on twelve when Ray just missed his birdie putt and settled for par, and watched as neither Pete nor Matt could sink theirs to tie. Matt and Pete tied the match again, this time when Matt was just short of the thirteenth hole after a hybrid from the edge of the rough but managed to get up and down to save par. Matt and Pete were both down by the creek after their second shots on fourteen and both found the green, although they had long putts from the front portion of the green for birdie. Both made their pars and it was sufficient to win the hole as neither Phil nor Ray could match....so Pete and Matt had their first lead. That lead was stretched to two on the fifteenth after both Matt and Pete made par, Matt saving from off the green and Pete running his "free" birdie putt past the edge and making his par as well. The match ended on sixteen, Matt and Ray both hitting hybrids to the edge of the green and pin high, but Pete hitting an even better shot from the far right side rough, stopping his approach about three feet from the cup. Ray made his par to stay in the match, but Pete closed it with a birdie for a three and two victory.
